Confidentiality Request

Form #: 18-031

March 2026

Owner/Operator Name: <u>Google, LLC</u>
Common Name of Source/Facility: <u>Agate, LLC</u> DWEE Facility ID: _____

Nebr. Rev. Stat. § 81-1527 and § 84-712.05 provide that certain records or information may be entitled to protection as trade secrets with confidential treatment by the Nebraska Department of Water, Energy, and Environment (DWEE).

This form, or its equivalent, must be completed and submitted to the DWEE to make a confidentiality request. The completed form provides information needed to enable DWEE to determine the eligibility of application materials for confidentiality. DWEE may request additional information or clarification.

**The confidentiality request process must be followed EACH TIME
 confidential material is submitted.**

This form, or its equivalent, is a public record when received by DWEE

By law, the following information is never eligible for confidential treatment:

- Emission data, draft and issued permits under the Clean Air Act
- Effluent data, permit applications, draft and issued permits under the National Pollutant Discharge Elimination System (NPDES) pursuant to the Clean Water Act

DWEE has determined that the following information is not entitled to confidential treatment:

- Potential to Emit, Quantity of Emissions
- Names of contaminants and regulated air pollutants
- Applicant name and contact information
- Items that can be viewed from off the property (examples: stack heights, external tanks)
- Items identified in previous permits, a facility file, or otherwise readily available to the public

Provide a response and detailed explanation to the following:

(Reference: Nebraska Administrative Code Title 115, *Chapter 2 – Confidentiality for Trade Secrets*).

Confidentiality Request

Please Note: In order to be eligible for confidentiality consideration you must have answered “Yes” to questions 1, 2, and 3; and answered “No” to questions 7, 8, 10, 11, 12, and 14. Otherwise, your request has not met minimum requirements for consideration of confidentiality.

1. ☒ **Yes** or ☐ **No** Are you requesting confidentiality on material submitted to NDWEE that you consider confidential?
2. ☒ **Yes** or ☐ **No** Have you provided a complete (**not-redacted**) **original** of your request **and** a separate (identical except with requested confidential information **redacted**) **public copy** of the document with your request (note - both original and public copy are required)?
3. ☒ **Yes** or ☐ **No** Is the material for a method or process that you consider a trade secret?
4. If you answered “Yes” to the previous question, describe in detail why you consider it a trade secret (be sure to provide a redacted public copy and not-redacted original of any attachments).

Detail: The redacted data relates to proprietary trade practices and processes the disclosure of which would provide insight and advantage to competitors

5. ☐ **Yes** or ☒ **No** Has a similar confidentiality request been approved or denied by NDWEE or any other governmental agency in the past five years?
6. If you answered “Yes” to the previous question, provide an official copy of that determination.
7. ☐ **Yes** or ☒ **No** Has the information been publicly filed with another governmental agency?
8. ☐ **Yes** or ☒ **No** Is this information associated with a publicly traded source or has the information been disclosed in publicly available SEC (U.S. Security and Exchange Commission) filings?
9. Describe in detail measures the claimant has taken to protect the confidentiality of the information and how access to the information is restricted. Include detailed information on who it is restricted to, any policies and practices of securing the information including electronic restrictions and physical actions such as stamping the information “CONFIDENTIAL”, any confidentiality training provided to staff or others (training details, scheduled, etc.), and any other active measures or policies you have taken.

Detail: The redacted data is maintained on secure servers with access limited to employees on a need to know basis

10. ☐ **Yes** or ☒ **No** Can the information be obtained without the claimant's consent by other persons (other than governmental bodies) by use of legitimate means?

Department of Water, Energy, and Environment

Confidentiality Request

11. ☐ **Yes** or ☒ **No** Has the information ever been disclosed on your business website or social media or has the information been disclosed by your contractor, supplier, investors, or by a competitor?
12. ☐ **Yes** or ☒ **No** Is the information obtainable or identifiable from a physical or aerial observation of site operations (i.e. visible or accessible through use of aerial photography, Google Earth or similar websites, thermal imagery, or other readily available observation tools)?
13. Describe actions taken to ensure privacy from physical or aerial observation.
- Detail:** Physical site is secured by security fencing, security cameras and private security officers. Employees and visitors admitted only via security cards and badged access
14. ☐ **Yes** or ☒ **No** Can the information be calculated from publicly available sources?
15. Explain why disclosure of the information is likely to result in substantial harmful effects to the business's competitive position and identify specific competitors, by name, who could gain advantage through use of this information. Include in your detailed explanation any purported harmful effects, the extent of those effects, and any causal relationship between disclosure and such harmful effects.

Detail: The redacted data could be utilized by data center competitors to infer and extrapolate confidential trade secret processes, practices and operations
